

Happiness is a state of activity.

Aristotle

Our Vision

To contribute toward exemplary care for people receiving support due to ageing, disability, or any other reason, by providing the best possible training, resulting in students who become proficient, considerate and inspired support workers.

CHC43415 Certificate IV in Leisure and Health

Entry Requirements

- Must be an Australian or New Zealand citizen or permanent resident or temporary resident with the necessary visa and work permits
- Successful completion of year 12 or equivalent or acceptable English language, literacy and numeracy skills
- Unique Student Identifier (USI)
- Must be an existing worker in the community services industry

Qualification

This qualification reflects the role of workers participating in the design, implementation and evaluation of leisure and health activities and programs for clients in one or more sector areas.

Worker may be in residential facilities and/or in community agencies and day centers, completing specialised tasks and functions in relation to leisure and health. While workers are responsible for their own outputs, work is carried out under direct or indirect supervision within defined organisation guidelines.

Pathways to further study

This course covers units from the national training package, so participants may receive recognition towards other qualifications including Certificate IV in Ageing Support, Certificate IV in Disability, Certificate IV in Mental Health or Diploma of Leisure and Health (Diversional Therapy).

Individual support

Qualify for a career in
leisure and health

CHC43415 Certificate IV in Leisure and Health

Why learn to care

- The community services industry needs all sorts of people in a wide variety of jobs.
- Demand for workers in ageing and disability support is high and growing.
- Workers are required 24 hours a day 7 days a week. If you need to have flexible working hours, this is the industry for you.
- Your qualification is nationally recognized, allowing you to work anywhere in Australia

Delivery options

Care Academy QLD will work with you or your organisation to meet your learning and development goals, by providing tailored, flexible solutions and support.

The course is developed for those who are employed in a direct support role in residential or community settings.

Delivery is blended learning, comprised of external self-paced and classroom workshops. The time to complete the course is between 6 to 18 months.

Completion time can vary depending on various factors including the individual learner and whether or not RPL or credits apply.

Recognition of prior learning

Even if you have never formally studied or trained in a particular area, you may have gained skills and knowledge through work, life and personal experience.

RPL could be used to identify what training you may need to complete the qualification. An RPL application fee will also apply.
